

Hello Year 1!

As it is now officially the Easter Holidays I have not set any extra online tasks or learning challenges for you to complete, though feel free to keep playing the games on MangaHigh and LiteracyPlanet if you want to.

However I have collected a selection of activities that might be fun to do over the next few weeks.

<p>Make a den or a fort and read a book in there!</p> 	<p>Design the 'Best Ever Easter Egg'. What would its wrapper look like? What would be inside?</p>	<p>Help your grown ups with a job around the house.</p>
<p>A chicken has 10 eggs and 2 nests top put them in. What different ways could this be done? $_ + _ = 10$</p>	<p>Find an old sock and make a sock puppet.</p> 	<p>Draw a spring picture - it might have flowers and baby animals in.</p>
<p>Decorate a cardboard tube to look like your favourite book character.</p> 	<p>How many things can you find in your home that start with these letters E A S T E R Can you make a list?</p>	<p>How many egg shaped objects can you find in your house? Can you count them all?</p>
<p>Bake something tasty or help to cook dinner.</p>	<p>Make up a story about a spring chicken or rabbit and tell it to someone at home.</p>	<p>Make a picture by sticking down things from your garden.</p> 

Don't forget to email me pictures of these and anything else you get up to at year1@swaythlingprimary.org. I will be having a go at some too!

Have a good week and a Happy Easter!
