Weekly Maths Newsletter - WB 27.4.2020

White Rose Maths Party!

We hope you have been enjoying the White Rose Maths worksheets!
As of next week, White Rose will no longer be uploading the free worksheets to their website. However, as a school we now have access to them and will be uploading them to our website! If you look on the site (https://swaythlingprimary.net/) under the Home Learning tab there is a section for Maths. We have now uploaded all of the Week 3 worksheets and there will be a link to the White Rose website for you to watch the videos!

Manga High

As of today, Manga high are now hosting live lessons (for all ages) via Youtube. Please see the schedule below and the link to access the videos. The lessons will include an introduction to the topic, examples on how to solve a problem and some activities for the children to do. The children will also need to be logged into Manga High and have a pen/paper to hand.

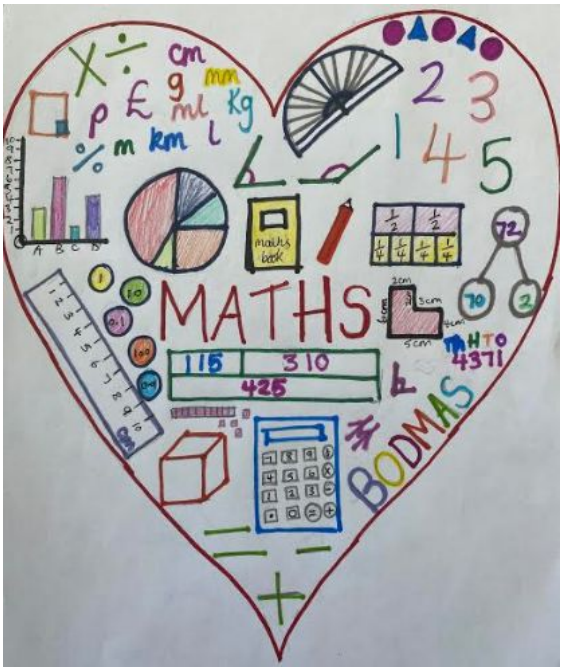
Date	Topic	Time	For Ages
Wednesday 29 April	Number Skills	9:00 BST	7 to 9
		11:00 BST	9 to 11
		13:00 BST	11 to 13
		14:00 BST	13 to 16
		12:00 EST	11 to 13
Thursday 30 April	Number Skills	9:00 BST	7 to 9
		11:00 BST	9 to 11
		13:00 BST	11 to 13
		14:00 BST	13 to 16
		12:00 EST	13 to 16
Friday 1 May	Number Skills	9:00 BST	7 to 9
		11:00 BST	9 to 11
		13:00 BST	11 to 13
		14:00 BST	13 to 16
Monday 4 May	Geometry Skills	9:00 BST	7 to 9
		11:00 BST	9 to 11
		13:00 BST	11 to 13
		14:00 BST	13 to 16
		12:00 EST	7 to 9
Tuesday 5 May	Geometry Skills	9:00 BST	7 to 9
		11:00 BST	9 to 11
		13:00 BST	11 to 13
		14:00 BST	13 to 16
		12:00 EST	9 to 11
Wednesday 6 May	Geometry Skills	9:00 BST	7 to 9
		11:00 BST	9 to 11
		13:00 BST	11 to 13
		14:00 BST	13 to 16
		12:00 EST	11 to 13
Thursday 7 May	Geometry Skills	9:00 BST	7 to 9
		11:00 BST	9 to 11
		13:00 BST	11 to 13
		14:00 BST	13 to 16
		12:00 EST	13 to 16


This month, we would like you to design a front cover for our Maths books. You can be as creative as you want, use pencils, paints or leaves and twigs from your back garden! You could include drawings of equipment we use in school (like numicon or multilink), different symbols we use in our lessons or really cool Maths quotes! Here's an example Miss Evans has done but I'm sure you can do better!
