

## Maths Newsletter WB 4.5.2020

It has been so great to see all of the wonderful Maths you have been doing at home, online, from your learning packs and with equipment you have around the house! Keep up the good work and don't forget to send your pictures to your year group emails as we love to see what you have been up to!

Don't forget, teachers have also been setting tasks on My Maths, Manga High and Education City. If you're not sure of your login or password, email your year group email and your teacher will be able to check for you! The activities are great on all of these websites and there are games for you to play too!

Luckily, this week the White Rose have still uploaded the free worksheets on their website. However as of next week they will no longer be doing so. But don't worry, we have been uploading them onto our school website for you to download.

Miss Evans has also sent a Rockslam challenge for Years 2-6 on Timetable Rockstars. Can you beat her?
