

Mrs Cleghorn's Week:

This week I have still kept up with my daily fitness and walks and I have managed to get out on my bike again as well. On my bike ride this time I saw lots of horses, sheep and cows. I also made some chocolate and coconut fairy cakes, which were very tasty. Elsie, Alanna and I made and sent some cards to Grandparents with some photos and drawings in to make them smile.

Ms Gibbons's Week:

This week I have spent a lot of time reading and I finally finished a book that has taken me forever to get through! (I'm proud that I didn't give up though!) I have also taken part in a few online quizzes - one was a Harry Potter one which Henry and I did really well in and were very pleased with ourselves!

Miss Evans's Week:

This week taught my Nan and Gramps how to use Skype. It took me over half an hour to tell them how to do it over the phone, but we finally did it and it was so nice to see their faces! I hope you're all still keeping in touch with your friends and family, its really important to keep talking!

Summer Term Week 3

Hello Year 6. We hope you have been doing some of the home learning tasks we set last week linked to our topic 'Floodland'.

Please send in pictures of your home learning as well as all the fun activities that you have been doing! The email is year6@swaythlingprimary.org. Thank you to everyone who has sent pictures in so far, we have loved them!

We also hope you have played the Kahoot quiz that Miss Bowen created last week! Lots of the teachers did

Don't forget we are setting weekly tasks on Manga High, Education City, My Maths and Literacy Planet!

Activities to do:

- What animals would you find in or near a river? Draw some pictures and try find out about 1 of those animals life cycle.
- Build or design an island to live on (like in Floodland). What would be on the island, would anyone live there?
- We would have been looking at the artist Banksy this half term. Here is some of his artwork, which always have a message. Can you create a piece of art similar to his?
