

HELLO

Hello Year 5!

I hope everyone had a good bank holiday weekend and managed to enjoy the sun. I went out for a lovely walk on Saturday and saw some ducklings. I made a cake for VE day and earlier on in the week, I followed a new recipe to make a chicken curry, it was very yummy!

I've been taking part in the Hampshire school games exercise challenges each day, you can see a video of me doing one on the school Facebook page.

I have been absolutely amazed by the activities/work which have been sent to me this week. It is great to see some of you are logging into the online platforms and completing work I have set. Well done - keep up the good work! I love seeing the work and activities which you have been doing, so please send them to year5@swaythlingprimary.org

Remember there is work set on: Education City, Mymaths, Manga High and Literacy Planet.

Kahoot quiz!

Global warming and River quiz

PIN: 05435877

Mahika and Wiktor have sent me a quiz, which I have turned into Kahoot quizzes for you all to play. Well Done Mahika and Wiktor!

PIN: 08097335

Activities

- Can you do the water cycle experiment in a bag? Look the experiment up online, or email me and I can send you the instructions.
- Watch and learn the Water Cycle song - it's very catchy!
<https://www.youtube.com/watch?v=TWb4KIM2vts>
- The river Itchen, which is down by Woodmill, is one of our local rivers. I'm sure lots of you have been down there. Can you create a fact file, powerpoint or poster about the River Itchen?
Where does it start/end? How long is it?
What animals live in it?
- Use an old milk carton, loo roll or cereal box to create an animal. Be creative!
