

This week's competition is:

Your child can Create a National Book Token design and win!

Children can **win a £10 National Book Token for themselves and each of their classmates** – and surprise them all when schools reopen!

While children are at home, encourage them to **create a National Book Token design** for our competition. Whether it's the school crest doodled in ink, a pencil drawing of the entire class, or something completely different, we'll choose one child's design to put on a National Book Tokens gift card every week for seven weeks.

When schools open up again, the young designer and their classmates will each receive a £10 National Book Token – emblazoned with the winning artwork – to inspire them to choose their next favourite book from their local bookshop.

Creative Corner

Create your own story about something you have been up to at home.

I hope you enjoy your reading wherever you are. Don't forget to share with your class teachers what you have been reading (or listening to) – they might want to read it themselves!
