

Hello Year 3!

I hope everyone has had a good week and is staying happy and healthy. I have been busy writing your school reports this week which has made me really miss being in class with you all - it seems like such a long time since we have seen each other! I can't wait until I get to see you all back at school again.

Have fun with this week's activities 😊

Don't forget to do some online learning on Times Table Rock Stars, Manga High, MyMaths, Numbots, Education City and Bug Club!

★ WELL DONE Masie and Joshua for doing so much reading on Bug Club 😊

The Ancient Egyptians had their own system of writing. They used pictures instead of letters, which were called hieroglyphics. Find out more about them on BBC Bitesize:

<https://www.bbc.co.uk/bitesize/topics/zg87xnb/articles/zvw3mfr/>

Use the key below to write your name and decipher the secret message we have written to you:

Bonus task - can you write a sentence and send it to me to work out?

A	B	C	D	E	F	G
H	I	J	K	L	M	N
O	P	Q	R	S	T	U
V	W	X	Y	Z		

Watch out, some of the letters are the same! :)

Can you add these dates to your Ancient Egyptian timeline?

- 2200BC - The first ploughs are attached to oxen. (you can see this in one of the pictures)
- 3000BC - The first buildings are made of mud bricks, and walled towns and villages were built.

Never Give Up

It is hard doing your all your learning at home. But don't give up! Persevere and keep trying to do a bit every day.

Remember to send your pictures, examples of wonderful home learning and any questions to year3@swaythlingprimary.org!

THE ANCIENT EGYPTIANS

This week, we are going to think about what life was like in Ancient Egypt.

Look at these scenes from daily life.

- What do you notice?
- What do you think is happening in each picture?
- Challenge: can you do some extra research about how Egyptians lived based on what you have observed in the pictures? Add some of the facts you find out to your knowledge organiser.
