Hi everyone!

This week we are going to move away from wild things for a bit and have a look at a story called Ruby's Worry. We have read this once at school and it is a really lovely story. Here is the link to listen to someone read it.

https://www.youtube.com/watch?v=9IhhCq44ar8

For anyone coming to school this week, we will be doing the English, Maths, Topic and Creative challenges as part of our learning.

This week:

MangaHigh: Putting Numbers in Order up to 100, Comparing, 2 Digit Place Value Game. Don't forget: It is recommended you have at least 3 tries at each activity.
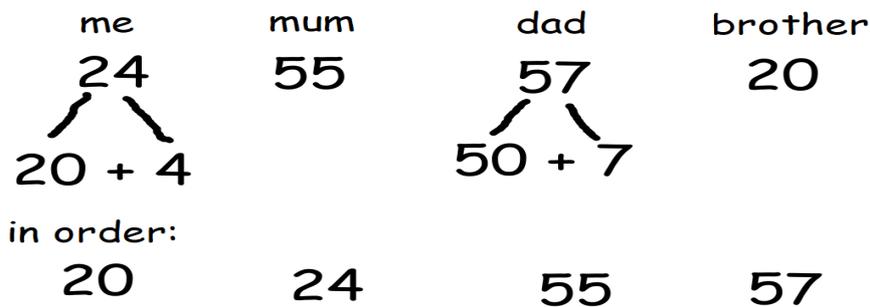

EducationCity: joining words and clauses using 'and'. Don't forget: there are other activities still available too!

Don't forget there is also BugClub for reading and MyMaths for extra maths.

English Challenge: and as a joining word! You can use the word 'and' to join 2 sentences together. Look at the purple parts of my sentence to see what has changed.

Either have a go at the worksheet OR have a go at writing your own.

Ruby had a worry. It was getting bigger.

Ruby had a worry and it was getting bigger.

Maths Challenge: Comparing numbers. Write down the ages of all the people in your family. This can be just the ones in your home or others if you want more of a challenge. Can you split each number into 10s and 1s? Can you put all of the numbers into order from least to greatest. Can you pick 2 numbers and compare them using the greater than, less than or equal to.

me	mum	dad	brother
24	55	57	20
20 + 4		50 + 7	

in order:

| 20	24	55	57

Topic Challenge: Ruby loves to explore to the bottom of her garden. Explore your garden or part of the park. Can you name any plants or minibeasts that you find? You could write a list or draw some pictures for me.

Creative Challenge: The story lists some things that make Ruby happy. For our creative challenge this week I'd like you to draw a little picture of yourself and then around it draw or write all of the things that make you happy.

Don't forget to email your pictures to year1@swaythlingprimary.org so I can see what you're up to!

Have a lovely week!
