

Year R Home Challenges 01/7/2020

Hello! More children are back at school this week and for those of you staying at home please continue with the home learning activities and remember the pick and mix activities. Don't forget the home learning lessons at <https://www.thenational.academy/online-classroom/reception/#schedule> and daily phonic lessons at https://www.youtube.com/channel/UCP_FbjYUP_UtldV2K_-niWw

Practise counting to 20, forwards and backwards. Do 20 jumps, find 20 objects and write the numbers.

Watch numberblocks

<https://www.bbc.co.uk/iplayer/episode/b0bn5bpz/numberblocks-series-3-numberblock-rally> Can you make some racing cars out of 1-10 blocks? What happens when they bump into things and lose some blocks? What happens if they bump into each other and join together?

Watch this weeks maths lessons at

<https://classroom.thenational.academy/lessons/combining-2-quantities-to-find-the-totals> This week we are looking at adding two quantities together. The video uses a number line which you could use alongside objects.

1. Choose 2 numbers and add them together. Can you put them into a part part whole model?
2. Use your own vehicles, a train or boat and draw the passengers on. Can you add together how many passengers there are on 2 of the vehicles?

Can you move around pretending to be different animals? How would a lion or a snake move? If you do different movements, can someone guess what animals you are being? Can you try some sports day activities?

Can you make a beautiful rainbow fish? Use different colours and maybe some shiny materials.

Can you create an ocean scene? What animals would you find in the ocean?

Find out some facts about an animal you would find in the ocean.

1. Practise saying the sounds on your sound mat. Read a new digraph each day. Watch lesson 17 of the daily phonic lessons with the focus on oo and ar.
