

Hello Year 3!

I hope everyone has had a good week and is staying happy and healthy. I have spent lots of time outside getting blown around by the wind this week, but it's been great for kite flying! This week's activities are inspired by the fact that it is Children's Art Week, so get creative and let your imagination run wild!

Have fun with this week's activities 😊

Remember to send your pictures, examples of wonderful home learning and any questions to year3@swaythlingprimary.org!

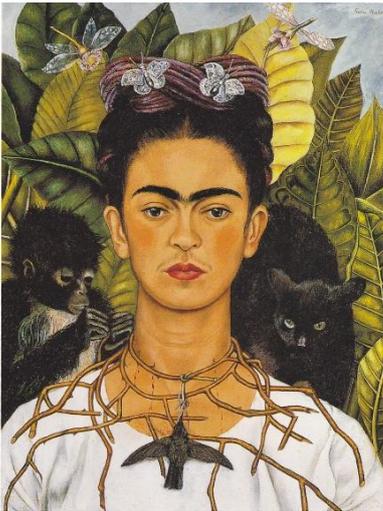

Don't forget to do some online learning on Times Table Rock Stars, Manga High, MyMaths, Numbots, Education City and Bug Club!

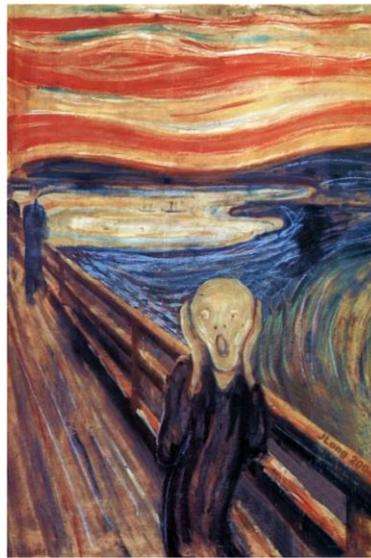

Innovation

Can you be inspired by the artists below, and be innovative in this week's learning?

I wanted to share with you some pieces by some of my favourite artists. All of these artists were really innovative - they thought in new ways and they dared to be different. What do you think?

Self-portrait with thorn necklace and hummingbird by Frida Kahlo

The Scream by Edvard Munch

Dancers by Keith Haring

Sleep by Salvador Dalí

Have a go at the following activities - you could choose one picture or you could do different ones.

- Try drawing your own version of one artwork. Then, complete the following sentences:
I can see...
I think...
I feel...
I wonder...
- Create a fact file about one of the artists
- Think of as many adjectives as you can to describe one piece of art. Then pick some of the words you have thought of and put them together to make new words: e.g. shiny + atmospheric = shinospheric!
- Complete the lockdown challenge set by the Getty art museum and recreate an artwork with anything you can find at home, then take a picture. Here are some of my favourite examples → → → →
- Get creative and draw, paint or build whatever you can imagine!
