

Hello Year 5 and 6!

Over the next 3 weeks, we would like the children working in school and those still working at home, to base their learning on the book 'A Series of Unfortunate Events' by Lemony Snicket. Don't worry if you haven't got a copy at home, we will give you everything you need to have a go at the activities.

Lemony Snicket Book Project

Hello Year 5 and 6! We hope you are all well and safe.

Remember to send your wonderful home learning and fun activities that you do to:

year5@swaythlingprimary.org or

year6@swaythlingprimary.org.

Don't forget we are setting weekly tasks on Manga High, Education City and My Maths too and you also still have access to Timetable Rockstars!

Maths

Can you make...

How many different ways can you make 100?

E.g $1 + 99$, $200 - 100$, 10×10 , $1000 \div 10$

Also, think a bit more creatively... e.g 0.1×1000 , $1.95 + 98.05$

Challenge: How many ways can you make 100 in 1 minute?

Countdown...

Use the numbers available and the four operations (+ - \times \div) to make the target number. You can only use each of the numbers once.

Numbers:

100

5

8

10

6

9

Target number:

792

Challenge: Can you make the target number in 1 minute?

Online game...

English

How many words can you make from...

LEMONY SNICKET

You can only use each of the letters once for each of the words you make.

Challenge: How many words can you make in 1 minute?

Countdown...

Can you solve the countdown conundrum?

Rearrange the words to make one word. What is the word?

e.g.

Y L S G W H A I T N

Answer = SWAYTHLING

Your word:

A G N V I E T A R E

Lemony Snicket

In Chapter 1 we meet the main characters, Violet, Klaus and Sunny. Violet likes to invent things, Klaus likes animals, nature and books and Sunny likes to bite things!

Task 1...

Can you design a machine (like Violet) e.g. a catapult to return stones that you have skimmed across the sea? You could even have a go at making your design out things you have around the house.

Task 2...

Have a go at pressing some leaves or flowers.

1. Put them between two pieces of paper or two pieces of material.
2. Place your flower/leaf 'envelope' between two heavy books and leave them to dry or press each one quite firmly in between the paper/material using a spoon to release the colours of the flower/leaf. (Do this one leaf/flower at a time)

Lemony Snicket

In Chapter 2 we meet the character Count Olaf. His house is not very nice and is very messy. There are also lots of strange things dotted around.

Task 3...

Using the images and sheet below, have a go at writing the estate agent details to try to sell Count Olaf's house. You will need to be quite creative about how you describe the rooms and the gardens – after all, who would want to buy a house that has a kitchen full of dirty pots and pans and a garden full of rubbish. You could say something like: 'The kitchen is in need of some modernisation. It is perfect for washing up lovers who want to put their own stamp on their house' OR 'The garden offers plenty of potential and would be an ideal project for any keen gardeners. There would also be no need to ever buy 5p carrier bags again as there is a vast supply already awaiting in this garden.'
