

We have been thoroughly impressed with all the hard work that's gone into home learning so far this year and would like to say a big **thank you** to all the children and parents!

Alongside your weekly reading (*purple reading records should be filled in*) and spellings please choose from the range of *Pick and Mix* Home Learning tasks for our topic:

## The Sound of Science!

When you have completed a piece of work please put it in the Home Learning tray in your classroom.

**The final deadline is Wednesday 17<sup>th</sup> February 2021**

Find out 10 facts about sound	Draw the front cover <b>and</b> write the blurb for your favourite book	Complete 3 activities on Manga High
Write a poem based on a piece of music	Design and make your own musical instrument using items around your house. (Don't forget to ask your parents first)	Create a leaflet describing how we hear sounds
Create a wordsearch using words from our topic (Use your Knowledge Organiser to help you)	Come up with your own experiment to prove that sound is made from vibrations	Write a book review about a book you have read recently
<p>Free choice</p> <p>Demonstrate home learning linked to the Sound. Come up with your own project – anything you would like.</p>
