

## Pick and Mix Learning Activities for Year 2

Please see below the range of Pick and Mix Learning Activities for

### *Up, up and Away*

Each week pick a new activity to do. Try to complete at least half of the activities by the end of the half term. Each activity will earn you a house point.

Once you have completed an activity, bring it in to show me or email it to me at

[Year2@swaythlingprimary.org](mailto:Year2@swaythlingprimary.org)

Find out about one of these famous explorers - The Wright Brothers - Christopher Columbus - James Cook - Amy Johnson Fill in the fact sheet.		
Read five books on Bug Club.	Read a traditional tale. Make a picture map of the story.	Build your robot by playing on Numbots.
Complete the bubbles of gratitude activity. This might be an activity that can be revisited a few times	Imagine you were an explorer. Where would you go? What would you do? Draw some photos of the things you see when you are exploring.	Learn the X2. Remember they are the same as the doubles!

Your child's passwords are in their reading diary.

Spellings will come home on a Tuesday each week.

P.E is on Wednesday and Thursday this half-term.

# Bubbles of Gratitude

## Mindfulness Colouring

These are bubbles of gratitude! As you colour each bubble, think of something that you are grateful for. It could be something big or something very small, something that you experience often or something that has just happened once. Thinking of these things helps make us feel calm and happy.
